WHAT IS EXPLORE MENOMONIE?

Explore Menomonie is the Tourism program for the City of Menomonie, operated by the Menomonie Area Chamber & Visitor Center. The program is facilitated by using a portion of the funds collected from hotel room taxes within the city to promote Menomonie and the surrounding areas. Explore Menomonie's goal is to increase visits from tourists outside the area and foster community collaboration. A few of the events and programs of Explore Menomonie are Menomonie's Destination Guide, The Menomonie Sculpture Tour, Special Event and Community Enhancement Grants, co-hosting the Parade of Lights, and promoting tourist destinations throughout the city. Explore Menomonie also hosts episodes of Chamber Chatter to discuss area tourist hot spots and upcoming events, and to highlight area citizens and their contributions to the Tourism industry in Menomonie.

DESTINATION GUIDE

Explore Menomonie produces a biennial Destination Guide, highlighting businesses and tourist attractions in the area. This guide is one of the primary resources for visitors and new residents. As an included benefit of your membership investment, your business name is included in the guide. Additional display ads are offered to Chamber investors at a discounted rate. Destination Guides are distributed both locally and throughout the state of Wisconsin. An interactive version of the guide is available on www.exploremenomonie.com.

SPECIAL EVENT & COMMUNITY ENHANCEMENT GRANTS

Explore Menomonie, a program of the Menomonie Area Chamber & Visitor Center, is charged with promoting tourism activities throughout the Menomonie area. The overall goal is to bring in visitors to the area to create a positive impact on the region's economy.

The purpose of this grant program is to assist with funding for projects, programs and events that improve the experience of visiting the City of Menomonie and the Dunn County area. Long-term goals of this grant program include generating overnight visits, extending visitor stays, promoting a positive image to visitors, and creating a desire for visitors to return.

Explore Menomonie works with Sculpture Tour Eau Claire to procure sculptures to be placed throughout the city. Sculpture Tours create a space for local and international artists to showcase their work and are free and available to the public 24/7 on our city streets and in our parks. This public art adds uniqueness to our community and helps to make Menomonie a place where people come to work, play, and live.

Become a sponsor of the Menomonie Sculpture Tour! Email tourism@menomoniechamber.org for more info on how to become a sponsor.

PLACER AI REPORTS

Gain insights into consumer foot traffic and demographics, with applications for commercial, hospitality, and municipalities

Placer.ai is a location analytics tool that helps clients measure the success of their marketing campaigns and optimize media strategies. Here are some ways Placer.ai reports can help with marketing and decision making:

- Geofencing-define the spatial scope of a geofence and analyze the demographics of people who live or visit the area. This information can be used to create promotional messages and measure attendance at events.
- Audience understanding-with demographic reports, we can help clients understand their audiences.
- Store traffic measurement

Placer.ai uses an algorithm to separate visitor, employee, and resident counts by analyzing patterns in length of stay. The company's clients include restaurants, hospitality businesses, and retail stores.
