

September 2024 - May 2025

Leadership 2.0 is a partnership with James Songster's Emerging Leader Training that will assist you in identifying your skillset and expanding your strengths, all while enjoying exemplary performance in the pursuit of important objectives. Developed by James Songster and Sue Schank, these two have over sixty years of leadership training at the Walt Disney Company.

We are pleased to present this new virtual series focused on specific emerging leadership skills. Each of these 45-minute interactive modules is designed to provide tools and resources that will take your leadership skills to new heights and change how you see leadership—and yourself—forever.

The Menomonie Leadership 2.0 Class of 2025 will meet at the Menomonie Area Chamber & Visitor Center's Conference room on the third Tuesday of the month (September through May) from 11:30 AM to 1:00 PM.
